Where is Key West?

Key West is one of the busiest manufact turing ports on the Atlantic coast. Cigars, of course, constitute the principle article of

export. The Key West is situated on the

Florida coast, only sixty miles from Ha-

vana. The famous Key West vigars are

made from tobacco of the finest Havana

procurable, and made by Cuban workmen

The tobacco only has to pay an import anty

of \$2.50 per pound and 45 per cent ad

valorum on eights. The climate is the

ame as in Cuoa, consequently the aroma is

the same as in the imported eigars. Smokers should take these facts into consideration
